Dear Ms. Brown and Ms. Temkin,

Today we created a new "Phase 5" page and linked to it from the Pavillion home page:
<http://www.epa.gov/region8/superfund/wy/pavillion>

The addition to the home page is as follows:

October 10, 2012
EPA released the methodology and results for samples collected during April 2012. [Click here for more information.](#)

Let me know if you have any questions.

Thanks,

Tim Davis
